The ‘Lakeview’ Suites. Welcome to the New Era of Aged Care Living.

For 25 years, Laurieton Lakeside has ensured the standard of aged care living is anything but standard. From February 2018, “Lakeside” will proudly open the new “Lakeview” wing featuring 22 new luxury single suites as part of an extensive upgrade program.

This exciting evolution will redefine aged care living where residents and their families and friends will feel part of a community offering a lifestyle that is designed to promote balance and certainty.
Located in a bushland setting on the picturesque and tranquil lakeside shores of Queens Lake, “Lakeside” is an aged care residence comprising 100 aged care beds over 6 distinct wings. Supporting residents throughout the Laurieton, Port Macquarie and the surrounding areas, Lakeside specialises in extra service and additional service suites.

For 25 years, Lakeside has created an active aged care community where service, quality care, accommodation standards and a friendly and motivated, long-serving management team are the benchmarks to ensure and maintain its envied reputation throughout the Mid North Coast region of New South Wales.

The launch of the new “Lakeview” wing, comprising 22 luxury single suites, is part of the on-going commitment to improve and continually enhance the total “Lakeside” experience.

Lakeview - Register Your Interest Now
For further information about this exciting new development at Laurieton Lakeside, or if you would like to register your interest in reserving a Lakeview Wing suite, please call our friendly Admissions Team: Kristy Potts: 02 6559 8777
Boasting features more like a new age hotel, each suite has state-of-the-art features specifically designed and mandatory for aged care residency. Upon inspection of this beautiful new wing, it will come as no surprise, the interiors have been designed by renowned aged care interior designer, Trisha Shields and her TSD Studio team. The contemporary furnishings, fittings and finishes deliver elegance and practicality…but most importantly, luxurious comfort.

Resident Suite Features:

• Spacious and private accommodation with luxury ensuite bathrooms; suite dimensions up to 23m² + 5m² ensuite
• Fully furnished with state-of-the-art electric bed, recliner chair, draws and built-in wardrobes
• Most suites feature their own outdoor terrace
• Foxtel, telephone and computer access available
• Each room has its own air-conditioning unit and wall-mounted television
• Couples may elect to have their rooms side by side. This provides the opportunity to use one room as a lounge room and the other as a bedroom - subject to Director of Nursing approval
• Professionally designed interiors

Wing Features:

• 24/7 Registered Nurse coverage
• Spacious dining and lounge rooms
• Professionally landscaped outdoor courtyard spaces and gardens
• Common area kitchenette for both resident and family and friend use
• Stylish furnishings and fittings
• Contemporary colour palette and décor
• Relaxing café area designed for residents and their families and friends
• Tranquil views over Queens Lake

Lakeview - 22 New Luxury Single Suites

Open for reservations from January 2018
The opening of the new “Lakeview” wing will realise the Masterplan for the Laurieton Lakeside complex whereby Management focus is, and always will be, on residents remaining connected to the community. This focus is a commitment to the individual person, as is reflected in Lakeside’s innovative and comprehensive activity programs.

For residents, this understanding has resulted in a renewed mindset towards the activities and programs now available. The options are broader and, whilst individually focussed, encourage a greater level of participation and engagement from family and friends to enrich a resident’s life experiences at Lakeside. There’s literally something for everyone at Lakeside, where the diversity of lifestyle programs encourages one-on-one or group participation.

Programs include:
- Ten Bin Bowling
- Nature Walks
- Community Outings include: Clubs, Movies, Events and Theatre
- Choir
- Arts and Crafts
- Poetry
- Chaplaincy Services
- Physiotherapy Classes
- Table tennis
- Men’s and Women’s Clubs
- Beauty Sessions
- Bible Study
- Gardening
- Pet Therapy
- Computer Skills
- …and more!

Halenvy Pty Ltd
The Name Behind Laurieton Lakeside Aged Care Residence

Laurieton Lakeside opened its doors in 1993, and has been operated by the family run Halenvy Pty Ltd since development. Halenvy is not a large corporate company with complex management systems. Rather, a succinct management team that’s always accessible by our friendly team of onsite staff.

Our independence results in a level of flexibility which simply, affords us the opportunity to tailor a more comprehensive and envied range of options and choices for our residents.

As an Approved Provider, Halenvy has one simple philosophy;

Provide all of the tools, equipment, facilities and education necessary for our valued staff to deliver the highest level of aged care service.

Our management team are always available and are more than happy to assist residents and their families in whatever way we can.
